Hello Industry Colleagues,

The Test Connection, Inc. (TTCI) is proud to announce that we will be moving into a new and larger facility at the end of August. TTCI is moving from historical Reisterstown to the up-and-coming Owings Mills area, which is still located just outside Baltimore, MD. The move is parallel to TTCI's unprecedented growth. This move will enable us to maintain and enhance our existing relationships with our valued customers. To help keep synergy with this move, we are able to retain our Phone, Fax and Email Addresses.

Effective August 31, please send all mail, shipments, RFQs and billing to our location in Owings Mills. Please change your records to reflect our new address.

**The Test Connection, Inc.
